

Parent Guide For Logging into EduLink One

As a parent you will have received an email to the address you have registered on our system that will provide your username for EduLink One and a link to create a password. Please check your spam and junk email folders as depending on different email provider settings the message may be there.

Step 1 – Check your email address registered with school for your username and a link to create your password.

Step 2 - Go to www3.edulinkone.com on your chosen browser or download the app from the IOS or android store.

You can download the app by going to either store and searching for ‘EduLink One’.

Step 3 -

When you are at the log in screen, you will see three fields, School ID, username and password.

Type ‘Redhill’ in the School ID field.

Type the username you have received in the email sent to you in the username field.

Type the password you created using the link you received in the email sent to you in the password field.

Click the Log In button.

The screenshot shows a login interface with the following elements:

- SCHOOL ID:** A text input field containing the word "Redhill".
- USERNAME:** An empty text input field.
- PASSWORD:** An empty text input field.
- REMEMBER ME?:** A checkbox that is currently unchecked.
- HELP?:** A text link.
- LOG IN:** A large, rounded rectangular button.
- DEMO:** A smaller, rounded rectangular button below the "LOG IN" button.
